THE OPEN NURSING JOURNAL

ISSN: 1874-4346

The Open Nursing Journal is an open-access journal that publishes research articles, reviews/mini-reviews, letters and guest-edited thematic issues in all areas of nursing.

The Open Nursing Journal a peer-reviewed journal, is an important and reliable source of current information on developments in the field. Emphasis is placed on publishing quality papers, making them freely available to researchers worldwide.

We welcome papers related to nursing and midwifery, with specific relevance to health care practice, policy and research. We publish under the following themes:

- Nursing and Midwifery practice
- Research methodology
- New role in practice
- Case studies
- Management in health care
- Education
- Evidence based practice
- Systematic reviews
- Ethical and professional issues
- Sustainability in health and health care provision

All authors should make clear how the implications of their paper for nursing, midwifery and health care practice. They should also clearly identify the ‘take home message’ from their paper.

The Open Nursing Journal is an international, peer-reviewed, open-access journal covering all aspects of nursing published continuously by Bentham Open.
